# ORPHEUS & BACCHUS

## BIRTHDAYS / ANNIVERSARIES / WEDDINGS / BLESSINGS / SPECIAL EVENTS

*"We make it easy for you to have the best time of your life, time and time again"*

Our characterful and high specification 18th century houses, with a capacity for accommodating up to 48 guests in one location, provide an ideal venue for clients wishing to create a totally memorable once-in-a-lifetime event.

We bring a total "can-do" approach to your project backed up by our acknowledged experience in running the highly successful **Orpheus & Bacchus Music & Wine Festival**. Our celebrated French chef (appearing with Rick Stein on BBC this September) and our on-site support team ensure a unique and problem-free experience for you and your guests. Our Orpheus and Bacchus Musicians can also create magical memories of your own private concert of a lifetime.

Our clients say it best. Here are the comments from a client with whom we worked last November to organize a secret 60th birthday party for her husband and 40 of his friends from around the world.

"We had the most fabulous time, it truly was wonderful. The venue was ideal, the food superb, the wines great, the musician excellent and the ambience just perfect. It was exactly as I'd hoped it would be. And we were looked after magnificently by yourself and everyone in your team - you have a great bunch of people there who really care about the guests, their comfort and enjoyment. Everything worked like clockwork so a big thank you from us both for organising such a spectacular weekend - it will remain in our memories for a long, long time. Plus, all our guests echo our sentiments - they all had the time of their lives and tell us the weekend far surpassed their expectations". Helen C, Nov.2003

For weddings and marriage blessings we have an added advantage and are in the unique position of having an intimate church (seating 100) attached to our house, Le Presbytère. Priest, Vicar, Celebrant and organist - no problem. Guests can walk from the church to the reception at one of the most beautiful houses in our portfolio.

With low cost airlines now serving the nearby airports of Bordeaux or Bergerac from Gatwick, Stansted, Southampton, Bristol and Manchester, celebrations in France have never been more attractive.

Why not organize your next lifetime event with Orpheus and Bacchus Celebrations ?
