# CLIENTS' COMMENTS for Domaine du FAURE (Sleeps 32-48)

*"We had the most fabulous time, it truly was wonderful. The venue was ideal, the food superb, the wines great, the musician excellent and the ambience just perfect. It was exactly as I'd hoped it would be. And we were looked after magnificently by yourself and everyone in your team - you have a great bunch of people there who really care about the guests, their comfort and enjoyment".*

*"Everything worked like clockwork - even the extra time played on the rugby pitch thankfully didn't seem to cause too much problem with the timing on Saturday and in fact helped to enhance the spirit of the day! (Thank goodness England won, or there would have been some long, gloomy faces!). You have no idea how relieved the men were to find they were able to watch the match - they were all having nightmares about missing it!"*

*"So a big thank you from us both for organising such a spectacular weekend - it will remain in our memories for a long, long time. Plus, all our guests echo our sentiments - they all had the time of their lives and tell us the weekend far surpassed their expectations".*

# DETAILED SPECIFICATIONS for Domaine du FAURE (Sleeps 32-48)

## The Setting

Domaine Faure is set in the extreme peace of 20 acres of its own land, in Entre-deux-Mers, one mile from the ancient village of Gensac, ten miles from Ste.Foy la Grande and Castillon and just 25 minutes from the beautiful and historic wine town of St.Emilion. In beautiful undulating wine-growing countryside the Domaine comprise the original Maison de Maitre (Le Faure) and around a large courtyard, the restored wine chai (L'Orangerie) and the chai where the wine barrels and grain were stored (La Musique). The estate looks out over its own beautiful and isolated valley, a natural nature reserve. The estate was bought and restored specifically with the objective of being an exceptional venue for a music festival, and works exceptionally as a 16-24 bedroom facility.

## The Houses

Each house is available as an independent holiday rental property (references 3359, 3388, 3395) but each has its different character. Le Faure is a beautiful, traditional maison de maitre with many fine features and original armoires. It is the most rustic. L'Orangerie provides a beautiful dining room able to seat 60 people for meals when desired. La Musique has a most beautiful 200m2 salon, whose glory is the rounded beams spanning the width. Each house has 8 en-suite bedrooms and all bed linen and towels are provided. When renting 2 of the houses you are invited to discuss which 2 are best suited.

**Services:** We have a regular team able to provide a fully catered/serviced option if required. Our chef Georges Gotrand, is exceptional, having had his own restaurant in Bordeaux for many years. In 2004 he recorded a TV programme for Rick Stein.

## Outside:

L'Orangerie has a 2 acre walled garden ideal for outdoor receptions, Le Faure has a large terrace overlooking the valley, with a pathway down to it. The courtyard is open for communication between the houses, a sheltered and quiet sun trap. There are three separate pools, each well set away from the other. There is plenty of parking space. A new tennis court, croquet lawn and boules court are set in the corner of the grounds.

## THE DIFFERENCE:

All our houses are restored and equipped to the highest standards to provide you with a first-class and carefree holiday experience. We do our best to make it easy for you to have fun, rain (rarely) or shine. We also invite you to consider some of the other activities offered by Orpheus and Bacchus Experiences, such as our Music Festival, Celebrations and Special Events, Cooking and Art School, and Conferences. We look forward to welcoming you.
